SUPPORT FOR ALL COMPANY BUSINESS PROCESSES, RAPID TIME TO VALUE

ORACLE ACCELERATE

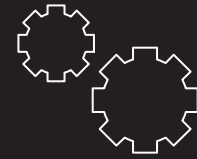

Oracle Accelerate delivers a complete set of applications, rapid implementation tools, and partner expertise, so growing businesses can maximize their budgets and achieve real business value swiftly.

Utilizing a fixed-scope approach, Oracle Accelerate solutions substantially reduce the risk and complexity of more traditional, large-scale implementations.

resources demand comprehensive business solutions that are low-cost, value whilst simultaneously shifting capex to opex.

is now available at a "Low Monthly Cost" rather than an upfront payment to Work Together at limited up-front cost to you.

SOFTWARE. HARDWARE. COMPLETE

Oracle's industry-leading software and hardware seamlessly integrate to delivery a complete IT stack unmatched by any competitor.

At the core is the world's #1 database, supported by Oracle Fusion Middleware and best-of-breed industry and business applications.

Oracle Solaris and Oracle Unbreakable Linux provide open and innovative operations systems.

Leading-edge virtualization and cloud solutions provide efficient access to fast, flexible, and cost-effective service.

With the final addition of Sun storage and server technology, the Oracle stack is now complete.

Oracle integrates every layer of the IT stack to deliver compelling value, based on high system availability and security, stunning performance, and low TCO. Only Oracle can offer this stack advantage to its customers through deep and seamless integration between the tiers that our competitors cannot match.

THE SOLUTION STACK

- Oracle Applications
- Oracle Operating Systems
- Sun Storage
- Oracle Fusion Middleware
- Oracle Virtualization
- Oracle Database
- Sun Servers
